MISSOULA INDIAN CENTER

COME CELEBRATE OUR CULTURE DAY

3v3 6th-9th GRADE GIRLS AND BOYS BASKETBALL TOURNEY

3 ON 3 RULES AND REGULATIONS

1. Each team must register at least three players on its roster on or before the date of the tournament. Four players max per team. No additions, deletions and/or changes may be made after games have started.
2. Teams using players not officially registered or using falsified information on rosters will be automatically disqualified from the event. Team captains are responsible and will be held accountable for all information.
3. The playing format of the tournament will be determined once all teams have entered. The format may even vary by division, depending on the number of teams within a division. The tournament director reserves the right to change the format based on external events. If there not at least 4 teams per division then a 3-point and free throw contest will be submitted in place of a 3v3 tourney.
4. The court monitor will be the official timekeeper/scorekeeper and will be responsible for mediating all disputes. He/she has the right to overturn a call on the court if there is a justified reason to do so. The court monitor's interpretation of the rules is final. In the event the court monitor cannot solve a dispute, a coin flip will be made to determine the outcome of the dispute.
5. Physically or verbally threatening or abusing a court monitor (or referee) is cause for immediate disqualification.
6. Arguing with the referee's calls will result in a technical foul awarding the opposing team one free throw and possession for the first offense. The second offense will result in the disqualification of the player or entire team.
7. Players and/or teams may be removed from the game at the discretion of the court monitor for abusive behavior, flagrant fouls or rough play. **Unruly parents and/or fans may also be asked to leave the vicinity of the tournament.**
8. Teams must be at their court at the scheduled time. A three-minute forfeit time will be enforced.
9. Each team must start and finish the game with at least two players.

10. A coin flip at the start of the game will determine first possession.
11. All games are played to 15 points (win by 1) or 20 minutes (running clock), whichever comes first. The tournament director reserves the right to change the number of points and/or time limit due to external events. Time may be changed due to amount of teams and limited time.
12. If the game is tied after the 20 minutes have elapsed, then the team who makes the next point will win. A coin flip will determine possession.
13. Player substitutions will be permitted on any dead ball situations.
14. The 3-point line represents the “take-back” line as well as the “two-point” line. Successful shots taken from inside the line will be worth 1 point, while baskets made from outside the line are worth 2 points. Again, both feet must be clearly behind the line (when the shot is attempted) for the shot to count as two points.
15. After a made basket or a dead ball situation, the ball must be checked by a defense player to an offensive player where the offensive player has both feet behind the take-back line. The offensive player must pass the ball in to start the action. The defensive player guarding the person checking in the ball must be inside the take-back line (i.e., he cannot be in the player’s face guarding him before the ball is passed in). All defenders must be positioned inside the take-back line until the ball is passed in.
16. On any change of possession, the offense must bring the ball past the take-back line before a shot can be attempted. Both feet must be completely behind the line. If a team forgets to take it back and makes a basket, the basket will not count, and the opposing team takes possession of the ball. If the shot misses, then the ball is live and both teams still need to take it back.
17. Change of possession means any defensive rebound, including an air-ball, a steal, a made basket or a made (or missed) free throw. Basically, if you score (offense) then you switch to a guard (defense).
18. The player who is fouled is responsible for shooting foul shots. If the player is fouled while shooting and makes the basket, the basket counts (the foul is ignored) and the opposing team takes possession. Otherwise, the team that was fouled retains possession and the ball is checked in as usual.
19. During a free throw, all other players must stand at least three feet behind the shooter. Regardless if the free throw is made or not, the opposing team takes possession.

20. If the court monitor rules that a foul was flagrant or meant to cause harm, the player fouled will shoot one free throw and that team will keep possession of the ball. The player called with a flagrant foul will get one warning. Any further flagrant fouls will result in immediate ejection of players from the game.

21. Any player(s) involved in fighting or continued misconduct will be disqualified from the tournament and will not be allowed to participate in future tournaments.

22. Jump balls will switch to each team on first possession.

23. If a ball goes out of bounds and players and the court monitor cannot decide who gets possession of the ball, then a coin flip will decide possession.

24. The top of the backboard is out of bounds. The sides and bottom of the backboard are in bounds.

25. The court monitor has the right to make a ruling on any issues that are not covered within these rules.

26. NO DRUGS, ALCOHOL, OR USE OF TOBACCO IS ALLOWED!

33. Have fun and play hard.
